Topic: Spring Creek Watershed Plan, Phase II Kickoff

The Spring Creek Watershed Commission kicked off the Spring Creek Watershed Plan, Phase II at its February 15th meeting. This plan was also approved by the Association for our February meeting. A brief presentation of the Watershed Commission meeting will be made followed by a round-robin discussion of the role of the Watershed Association in supporting the planning process.

The Phase I Plan proposed the Association take on the job of communication. The Chair of the Watershed Commission did, in fact, ask us to consider a public meeting to help get the community involved.

A summary of the Phase I Plan is attached. On it you can find a link to the Plan on the Association website that you can download.
